93rd AMASI SKILL COURSE & FMAS EXAMINATION (FELLOWSHIP IN MINIMAL ACCESS SURGERY)

JUNE 24TH - 25TH, 2023

Dear Colleagues,

Sri Lanka Association of Minimal Access and Digital Surgeons welcome all of you to the 93rd AMASI skill course and Fellowship programme.

One of the objectives of the SLAMADS is to empower Sri Lankan surgeons, especially those who are newly appointed, to practise MAS safely and confidently in their respective work stations ensuring patient safety. I am confident this skill course will help Sri Lankan surgeons and gynecologists to improve their knowledge and techniques in minimal access surgery.

I thank AMASI executive committee for deciding to conduct this course in Sri Lanka in collaboration with SLAMADS. We have made all arrangements to run the course and the fellowship examination in the department of surgery, University of Sri Jayewardenepura, Gangodawila, Nugegoda on 24th and 25th June 2023.

I am sure all our esteemed colleagues in the field of Surgery and Gynaecology and budding surgeons and gynaecologists will participate and make maximum use of this skill course to obtain the Fellowship in Minimal Access Surgery offered by AMASI.
